PAY IT FORWARD 2019

We are SO PROUD of Mrs. Thompson's 3rd grade class at St. Jean Vianney Catholic School. They went above and beyond Paying It Forward this year. **#PayItForward #standforkindness #jointhemovement**

- The students made cards for all of the hard workers at school (lunch workers, maintenance workers, office staff, and cleaning crew)
- They created a banner to hang in the school hallway. The banner had a Ziploc bag attached that was full of kind words for them to hand out to friends. They have been passing out these little strips all week in hopes of spreading kindness.
- They made blessing bags to give to the homeless.
